Alkali-Aggregate Reaction in Concrete

Lisboa | LNEC | Portugal | 31 May - 2 June 2022

SPONSORSHIP
AND TECHNICAL EXHIBITION GUIDE

INVITATION

From **31st of May to 2nd of June 2022**, the National Laboratory for Civil Engineering (LNEC) hosts the **16th International Conference on Alkali-Aggregate Reaction in Concrete – ICAAR 2020-2022**.

This conference gathers different scientists and engineers and look forward to offer you a high level scientific and technical event related with the concrete AAR phenomena and its structural consequences.

In addition to the technical sessions, invited speakers present lectures on principal AAR areas of expertise. A few hundred participants are expected at ICAAR 2020-2022, giving companies a unique opportunity for promoting their products and services at national and international levels. The Organizing Committee is delighted to invite your organization to support the success of this event, through a Sponsorship of ICAAR 2020-2022, held at the LNEC Congress Centre, Lisbon, Portugal.

In this document you may access the terms for sponsorship programme, which, however, do not invalidate the offer of other forms of sponsorship, which can be customized to fit your requirements/objectives.

You can also participate in the Technical Exhibition, open to companies for presentation of their products and/or services related to the Conference themes. This exhibition takes place in the hall of LNEC's Congress Centre, the core area of the conference venue.

Please refer below for the Conference information, the Corporate Sponsorship and the Technical Exhibition packages and the Technical Exhibition terms. To proceed, please kindly complete the reply form.

For enquiries, please contact the Organizing Committee at icaar2020-2022@lnec.pt or Mr. Anacleto from LNEC Congress Centre at +351 218443483 or formacao@lnec.pt.

We look forward to your favourable response and participation at ICAAR 2020-2022!

Yours sincerely,

António Lopes Batista
Chairman of the 16th ICAAR
